Dear Sirs

**Re: PCT Patent Application No. PCT/GB99/01509 in the name of  
Tisdale, Michael, John *et al.***

Referring to the Form PCT/ISA/225 mailed 27 September 1999 in connection with the above application, we have now obtained the latest version of the PatentIn software and, as requested, we enclose with a confirmation copy of this letter a fresh sequence listing on paper and in computer readable form (floppy disk) which has been prepared using this software and which we believe conforms to the new WIPO Standard 25.

We confirm on behalf of the Applicants that:

- (a) this fresh computer listing does not go beyond the disclosure in the international application as filed; and
- (b) the information recorded on computer readable form on the enclosed floppy disk data carrier is identical to the accompanying written sequence listing.

We trust that this completes satisfactorily all the residual formalities necessary at this stage.

By way of acknowledgement, PLEASE RETURN THE ENCLOSED FORM EPO 1037 in the enclosed self-addressed envelope provided.

Yours faithfully

Wilson Gunn Skerrett
